ROOMS:

- **Standard Rooms** - Standard Rooms include two double beds. A sink outside the bathroom and a Microfridge, available in most rooms, will make your stay more comfortable.
- **Murphy Bedrooms** - You'll get the "best rest under the sun" in one of our Murphy Bed Rooms. In addition, you will also have extra space to work or play because this room includes a double size Murphy Bed, which folds into the wall. Your sink is outside the bathroom for your convenience. You'll also find a large refrigerator in this room.

AMENITIES:

- **The Pool** - Our heated outdoor pool is the perfect place to kick back and work on your tan after a long day of work, play or maybe even gambling at the nearby casino! The 3-5 ft. deep pool is open Memorial Day through Labor Day from 8 a.m. to 10 p.m.
- **24-Hour Fitness Center** - Just because you're away from home doesn't mean you can't keep up with your workouts. Use the treadmills and StairMasters in our Fitness Room 24 hours a day.

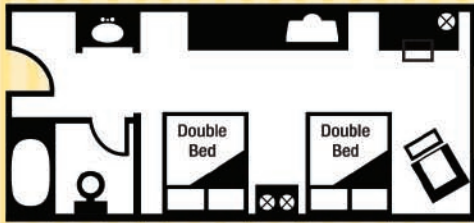

MEETING SPACE:

- **Flagship Niagara Room and Admiral Perry Meeting Room** - The Flagship Niagara Room and Admiral Perry Meeting Room can be combined or divided to create the right space for 10 to 100 people. We can meet any audio/visual need for your presentations. The Flagship Niagara Room also includes a private bath.
- **Hospitality Suite** - This meeting room can also serve as a guest room. The most unique feature of the Hospitality Suite is that it includes a Murphy Bed, which folds into the wall to create additional space and change the function of the room. The large room also includes a pull out sofa.
